

BROPHY AVIATORS CLUB
FLIGHT SIMULATOR LAB

CLEARED FOR TAKEOFF

BRONCO 1, RUNWAY 8, WIND 090 AT 6,
CLEARED FOR TAKEOFF.

A real flight simulator, a real yoke, and the whole planet to fly. No experience needed — that is what the club is for.

— THE SIM

Flight Simulator 2024

Microsoft's sim: the entire Earth, real weather, airliners to gliders.

— THE COCKPIT

Yoke, throttle & pedals

Fly it with your hands and feet, the way pilots do.

— THE EXTRA

VR on a motion rig

Headset on, and the seat moves with the aircraft.
